

# Build Flutter Apps for Web and Desktop

# HELLO!

## I am Ayush Shekhar

I am here because I love Flutter. That'll be all.

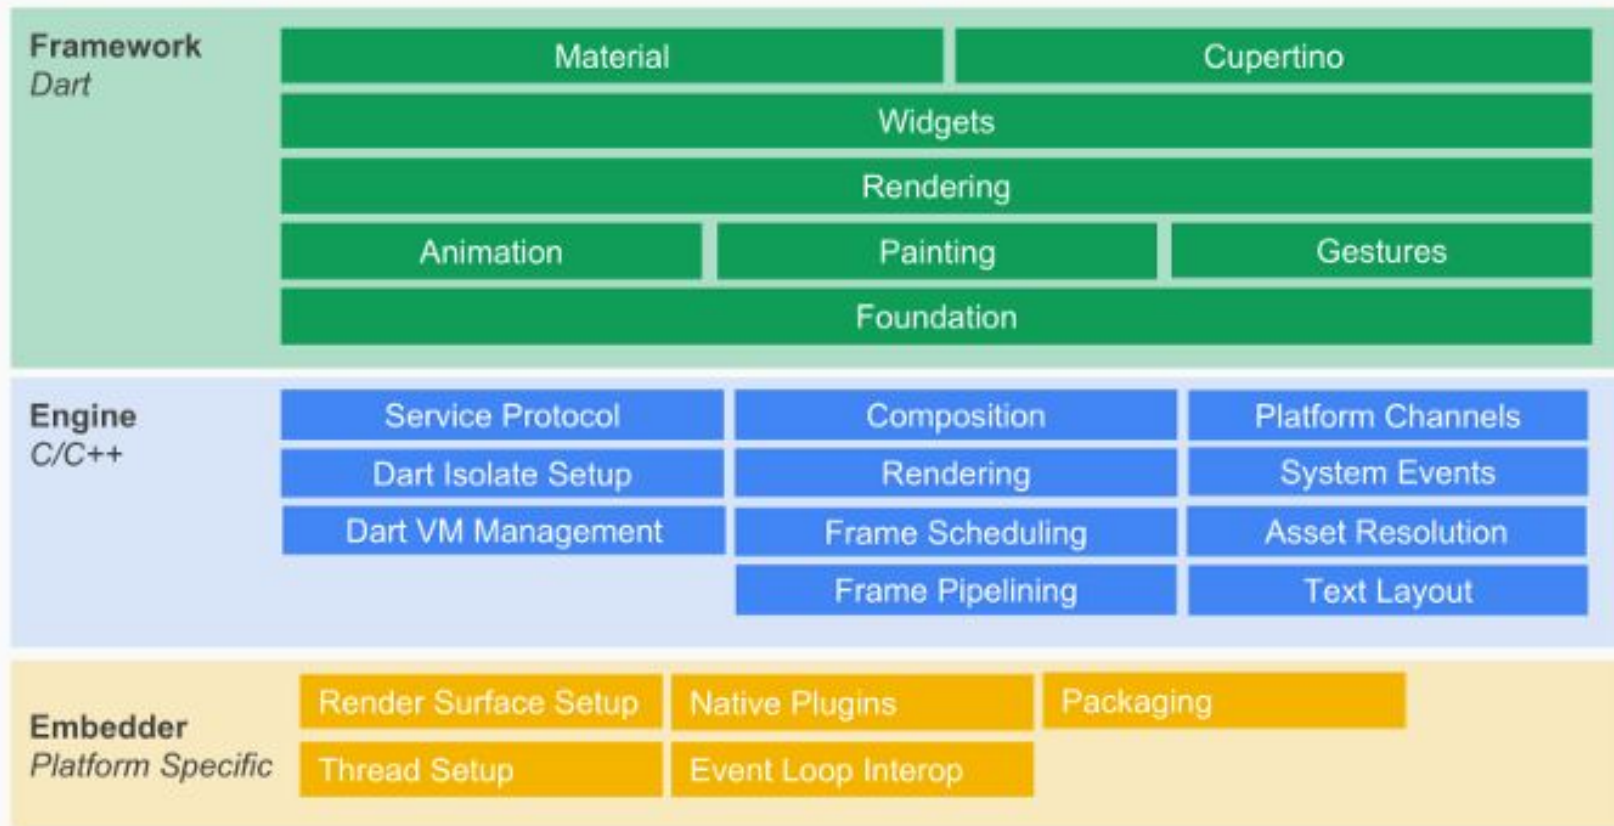

# Flutter For Web

**“Going beyond mobile,  
with Flutter”**

# Flutter System Overview

Framework  
(Dart)

Theming

Widgets

Rendering

Animation

Painting

Gestures

Foundation

Browser (C++, JS)

Canvas

JS Engine

DOM

# For Desktop

Yupp! That's right.

# THANKS!

**Any questions? Save  
them for the end.**
