Reflections/Learning Acceleration

District Actions for Learning Acceleration

- ELA/Math/Science Evidence Statement Table analysis was conducted in each building in conjunction with the building administration and grade level Professional Learning Communities. Teachers were presented with targeted standards/skills and weaknesses by school and grade level to bolster student achievement.
- Detailed analysis of test scores to identify strengths and weaknesses in the grade level standards
 - Standards that had multiple questions
 - Which standards the district needs emphasis on
 - Which standards the district scored well on
 - Individual school score report review with administration and staff
 - Integration of district Science Benchmark assessment Gr. 5
- Additional academic support provided through:
 - Title One BSI programs (extended 20 sessions for 2024–2025)
 - Response to Intervention (RTI) Tiered Systems of Support
 - Tier 1: Universal Supports
 - Tier 2: Targeted, small group interventions
 - Tier 3: Intensive Interventions
 - Busy Bees after school learning program
 - Implementation of new i-Ready Literacy curriculum grades K–5 with literacy learning path
 - Implementation of new i-Ready diagnostic assessments for grades K–6 in math and ELA
 - Studies Weekly infusion for grades K–6 Science and Social Studies
 - Place an emphasis in meeting those students where they are and provide remediation activities through accelerated programs and Title 1 and IV programs if applicable
- Additional Activities
 - Increase family engagement activities such as literacy and math nights – these events will provide parents with strategies and resources to be able to support their students at home
 - District will host 3 family math and 3 family literacy events throughout the year

Continuation: District Actions for Learning Acceleration

- Professional Development
- Reviewed scores with teachers/ and administration
- Provided information to teachers on how to utilize scores and standards to drive instruction
- Updated all curriculum guides and realigned to the new 2023 Math and ELA standards
- All administrators met with i-Ready and received professional development over the summer
- Staff attended full day September in-service training on new ELA i-Ready curriculum and new i-Ready Math and ELA diagnostic assessments
- Provided timely feedback to teachers and allowed for time during PLC's to review and analyze data with colleagues, administrators, and data coach on October 18th PD day
- Teachers visited Barnegat Schools to see i-Ready in action
- i-Ready touchpoint 2; school based visits October 21-24th.
- Math High Intensity Instructional Techniques 2 day PD: Dr. Paul Riccomini Grade 5&6
- Sheltered Language Instruction/SIOP expanded to include Special Education and Preschool teachers
- Additional staff trained on foundational reading strategies
- Increased professional development libraries for staff

NJSLA Additional Thoughts and Considerations

- Place an emphasis in meeting those students where they are and provide remediation activities through accelerated programs and Title 1 and IV programs if applicable

Additional Activities

- Increase family engagement activities such as literacy and math nights – these events will provide parents with strategies and resources to be able to support their students at home
 - District will host 3 family math and 3 family literacy events throughout the year

2023-24 DLM Summary Results

District: Berkeley
Township

Date: October 2024

To protect student privacy, data for cohorts with fewer than ten students are excluded from this report.
