Recommendations and Costs

- Replace all Cardio Machines - current ones need to be updated.
 - They were last purchased in 2007 bond. We are requesting interactive consoles (SE3 HD Console)
- Replace list of weight machines that are either broken or need to be updated to accommodate instructional classes

Cost for entire list of replacements shown with SE3 HD Console being quoted:

- **\$131,675.00** (this price includes the cost of upgrading to a 3 year warranty)

Cost for entire list of replacement shown with LED Touchscreen being quoted

- **\$104,531.00** (this price also includes the cost of upgrading to a 3 year warranty)

All cardio machines come with a 2 year parts, 1 year labor standard warranty

Recommend - not adding the 3 year warranty would reduce the cost by \$5,500.00 - can pay for a yearly maintenance contract on cardio machines after warranty has elapsed

Currently using LifeFitness equipment in the weight room - equipment has been very durable and reliable - would like to continue with this equipment

Additional cost to reupholster remaining weight equipment to match new equipment -
\$3,100.00
