

3 D graffiti portfolio

Theme

The theme is save the earth because everyone deserves freedom.

Why did i chose this is because the earth is getting trashed a lot and eventually people don't want to go outside any more

Essential Questions

1. What are the fundamental differences between a “thoughtful” and a “thoughtless” critique?
 - 2. Can all people be artists?
 - 3. How to make an object 3 dimensional?
 - 4. What is a THEME?
 - 5. How is a theme different than a topic?

Essential questions answers

1. The difference between toughness and thoughtful. Toughness is usually made
2. Everyone can be artist
3. To make an object 3 dimensional you need to give the object a shadow and a vanishing point
4. Make your life comfortable
5. difference between **theme** and **topic**. ... **theme generally** refers to the central idea or a perception conveyed in writing. A **topic** is the subject that is treated or presented within writing.
