

INTRODUCING AMELIA SMART

CLASSROOM
CHAMPIONS
how better gets better and better

Amelia is an alpine skier on the Canadian National Ski team. She competed in the 2022 Beijing Olympics. Amelia has her undergraduate degree in Computer Science and Environmental science from the University of Denver, where she raced on their NCAA team for 4 years.

She has one younger sister. Skiing is her passion, but she also loves doing other sports such as biking, climbing and water sports.

Performance Stats:

2022 Olympian, Beijing

Zagreb Croatia World Cup Slalom, 8th place

NCAA individual & team champion

FUN FACTS!

My parents are ski coaches, and I started skiing when I was 3 years old. My kindergarten was on a ski mountain! My favourite book is Harry Potter.
