Activity: Mindfulness Discussion

1. Students view a short video

https://www.youtube.com/watch?v=KaP-UGUP_Fw

(aam aadmii family - dulhaa mil gayaa)

They note down character traits – negative and positive

2. Students view a video clip

<https://www.youtube.com/watch?v=rAmxXb4s08Q>

(scene from “Sholay”)

3. Students create a Venn diagram of common traits between the two videos.

4. They discuss mental health and the need for positive vs negative emotions and traits

Vocabulary:

- कमाना - kamaanaa - to earn
- जुआरी - juarii - gambler
- शराबी - sharaabi - drunkard
- सीधा और भोला - siidhaa aur bholaa - a simple person
- खानदान - khaandaan - family

- भावनाएँ f. - emotions
- स्वभाव की विशेषताएँ - character traits

Role Play (with differentiation literacy vs oral skills):

Student A (the matchmaker); Student B (the parent of the prospective bride or groom).

I. They prepare a profile of the required or suggested match, which includes.

1) What age

2) What he/she be employed as

3) What qualities they are looking for

4) How he/she should look like

5) Anything specific they are looking for (hobbies, caste, region, language, etc.)

Note: Student A prepares/writes up 3 profiles to suggest. Student B discusses orally

II. Student B (the parent) explains their requirements for a match.

III. Student A (the matchmaker) brings in the proposals and explains who they suggest.

IV. Student B (the prospective bride or groom) rejects or accepts proposals giving reason why based on the description and qualities which the suggested person has.

Another Role Play Scenario

A student is going to India to live with a host family. The host family requires information about the student. They ask the director of the program to provide a profile of the student and the director of the program wants to know about the host family.

Student A: Director of the program

Student B: Member the host family

Student A: Describes the student which includes the following:

- ❑ 3+ adjectives describing the student
- ❑ what he/she does/studies/likes to do
- ❑ description of his/her family.

Student B: Describes the host family:

- ❑ who the members of the family are
- ❑ what they do, like to do, etc.
