

# INTRODUCING ANNA BOURGEOIS

CLASSROOM   
**CHAMPIONS**  
*how better gets better and better*

Anna Bourgeois is a long-track speed skater on the Canadian NextGen team. Before speed skating, she was a ringette player and made the switch through a talent transfer program in grade 12. Since 2016, Anna has competed nationally and internationally continuously setting new personal records in a variety of distances including 500m, 1000m, 1500m and 3000m. Most recently, she competed at the 2023 FISU World University Games and the Canada Cup.

Anna recently graduated with a degree in Kinesiology from the University of Calgary. After sport she intends to be a pediatrician. Anna loves being a part of the Classroom Champions community and can't wait to meet her new mentees!
