NCUC Outreach Session

Date Monday , 11th November 2024,

Venue: 3B60 @ 15:00

Attendance: Mostly members and few guests.

Takeaways:

We discussed better approaches to doing outreaches to local CSOs at ICANN meetings

- Earlier planning with ICANN staff by NCUC EC
- Sourcing local CSOs that can host NCUC outreach event
- Creating locally relevant topics that will attract local CSOs
- Connecting with other IG stakeholders or mechanisms such ISOC , Regional AtLarge orgs and RALOs or NROs and their activities.

We also discussed opportunities for collaboration with NCUC to help sustainable participation in the IG process beyond ICANN.
