

CTRL + F

Can be helpful to search for specific keywords & topics in text heavy databases and websites.

# EXPLORING AMAZING PLACES

## DATABASES

Databases have **MLA 8 citations** on each page for each article. Copy those for your works cited.  
**URL's will not work in EasyBib!**

**KEYWORD** search e.g. England (name of country)

At school, click on database image icons

Britannica - School (JML)

At Home - use LCPS GO / Library R icon.

ProQuest CultureGrams

World Book Online

Up-to-date facts about:

- \* physical geography
- \* lifestyle
- \* holidays and traditions
- \* few key tourist attractions
- \* history
- \* and many other facts incl. maps, images, videos and related web links

## geoblog VIDEO

Switch the category search bar at the top to TRAVEL and then pick your country/city in the sub-category to find videos.

**Citing:** Remember each new page/article in a database or on a website has a **NEW** citation.

## WEBSITES

Countries and Their Cultures

**Everyculture:** Detailed culture, lifestyle, history, and facts of countries - will not work for states in the US. Explore different countries food.

**Rough Guides - Destinations:** Pick the country - you will then find great facts, cultural and tourist info, by exploring the different tabs.

**Time for Kids - Around the World:** Scroll down to the countries and then check out the different tabs under the country

**National Geographic City Guides:** Sights, Culture, and more for variety of major cities

**Fodor's World Travel** - Great for more tourist attractions

The websites above were evaluated for [Who. What. Where. When. Why](#) by JML librarians

**Want to use Google?** You must evaluate the site or use .gov or .edu sites

## EXTRA

Google Arts & Culture | Places

Only explore here, after you completed all your facts for your research, this is for bonus fun only! Many 360 explorations of sights and galleries.

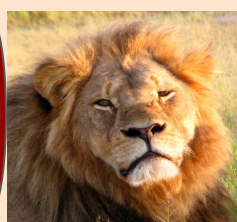

# TIGER

# PANDA

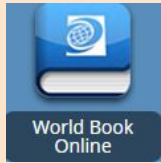

# RHINO

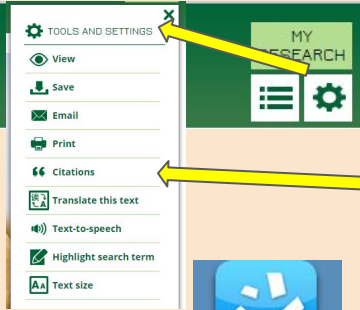

# LION

**DATABASES** are well organized sources with solid information about your animals. Use **KEYWORD** search only!

Databases provide you with a perfect MLA citation for your WORKS CITED - USE IT! The URL in most databases will not help you in Easybib.

At school, click on database image icons  
At Home - use LCPS GO / Library Resources, find icon.

**WEBSITES** that were evaluated by your library and teachers.

Find the animal you are looking for. Limited to their 600 a-z listing, but really well organized.

Search for your animal and then click on *more about the animal*

Find your animal by scrolling through the the images.

**Copy your URL when note taking to cite in EasyBib**

Click on images for links to the sources.

Use CTRL F To search within an article

# Biographies

At school links/icons work

At home go through LCPS GO/library resources

READ, don't click too fast when exploring databases
