Scheduling 2024-2025

Program of Studies

- The **Program of Studies** has Graduation Requirements, short description of each course, and any pre-requisite or grade level requirements.
 - The **Program of Studies** can be found [HERE](#)
- **AP Courses** are available for students in grades 9-12
- 8th Grade students will have the opportunity to take *some* high school credits, but must earn a “B” or better to earn high school credit. If a “B” or better is not earned, the course will have to be retaken to earn high school credit.

Scheduling 2024-2025

College and Career Readiness Courses

- **Reading/Math Lab** courses occur at all grade levels.
- Students not reaching Benchmarks on various assessments will be assigned to these classes.
- The courses are designed to help students meet Benchmark earlier in their high school career and get students the academic support that they need.
- These courses will be *pre-loaded* into Infinite Campus.

Scheduling 2024-2025

ACT Test:

March 12th (Sophomores and Juniors)

- Make sure students are in attendance that day. Eat a good breakfast!
- They must bring a calculator.
- *This ACT will be Online - *Students need a CHARGED Chromebook.*

MAP and CERT:

March 11th and 12th (7th, 8th, and 9th grades)

- Make sure students are in attendance. Eat a good breakfast!
- *Students need a CHARGED Chromebook.*

Scheduling 2024-2025

Dual Credit (Juniors and Seniors):

- Dual Credit is offered through Gateway, NKU, and Thomas More. These opportunities occur at Beechwood, online, and at NKU and Thomas More.
- The Dual Credit course code is on the scheduling form and students should schedule for Dual Credit with this code.
- A Google Doc Form will be sent out by Ms. Minton in March for students to specify which Dual Credit partner/courses they wish to take classes through. *Students should check Google classroom in March for this form.*

Scheduling 2024-2025

Boone County ATC (Vocational School)

- **Junior and Seniors** interested in course at the Boone County ATC should turn in applications to Ms. Minton by **February 23rd**.
- If accepted, they will be at the ATC for 3 periods a day next school year.

Program options include:

- Auto tech
- Diesel
- Electrical
- Machine tool
- Metal Fab
- Welding
- Health

Scheduling 2024-2025

Internship

- Seniors only
- Will request Internship as a course selection in IC.
- This will count as *two selections* as it will fill 2 periods of their schedule.
- Internship counts as 1 credit.
- **Look for announcements from Ms. Hawes and Ms. Layton via Google Classroom and e-mail for next steps.*

Scheduling 2024-2025

Scheduling Next Steps:

1) Register for classes in Infinite Campus Scheduling Portal:

Scheduling Window: February 16th - March 1st

- *If students don't know their IC log-in, they must see Ms. Whalen in the HS Office.*
- *They must choose (2) Alternate Courses.*
- *Must register for courses in IC by March 1st*

2) Students must also fill out the paper Scheduling Form and turn it into the HS office by March 1st *Scheduling Forms can be found [HERE](#)

Incoming 7th Grade Parents

School Overview

- The high school includes grades 7 - 12, but GPA and most credits do not start to be earned until 9th grade.
- 7th grade students are a **Grade Level Team**. 7th grade core subject teachers collaborate and monitor 7th graders. The team also sends out assignments each week to parents.
- We will have a **7th Grade Orientation Night** (parents and students) in August to cover daily procedures, lockers, and student schedules.

Incoming 7th Grade Parents

Seven Period Day

- All students will have 7 periods in their school day.
- This new schedule will allow students more personalized access to electives, intervention help, and career pathways.
- Any questions with the new schedule - don't hesitate to ask a counselor!
