

Ravenpaw Medicine Cat Apprentice Application

By [Idiotic.Bean101](#)

About Ravenpaw

Ravenpaw is a five moon old she-cat with black fur, white spots and cat 'rust' on her neck and tail. I plan to use her as a main cat, and I will flesh her out as much as possible. Her personality traits include:

- A quiet cat, who doesn't quite understand jokes.
- Takes things too seriously half the time.(Not fully on purpose, she's trying)
- Will try her best to help others, but she's not good at showing when she cares, nor talking about emotions

About Idiotic.Bean101

- I try to be active almost all the time, practically am.
- Trying my best to flesh out all the characters I have, so! I thought this would be a good opportunity to try.
- Trying to be more interactive with my characters and other people's cats.

RAVENPAW

If Ravenpaw DOES get this role, here is how I think she will treat it:

- She will be confused and puzzled at first, but as she wants to help her clan anyway possible, she will accept it.
- It may take her a bit to adjust to the role, but once she does, she will open up a lot more in general.
- Will be willing to tell high ranks anything necessary
- Ravenpaw has her stern moments, as while she's a warrior apprentice, she's kind of got that usual angsty apprentice vibe going on. Basically, she has backbone.
- Good learner and listener.

Ravenpaw's Mindset – Interview

- What kind of cat do you believe you are?
- Do you think you should be the medicine cat apprentice?
- Do you think you would be good at the job?
- What sets you apart from other cats?
- How do you feel about Bumblestar?
- Would you be able to tell Bumblestar and Spiderthroat things when necessary?
- "Hm? Oh, I guess honest. I would rather not lie, no matter how brutal the truth may be."
- "I don't care who becomes the medicine cat, as long as it's someone competent, which I'm sure Bumblestar will make sure of."
- "I guess. It would probably depend on who teaches me, so I'm not sure."
- "I don't know. I have heard that my honesty can be helpful, but I don't remember who said that."
- "I respect her a lot. Who other than the greatest cat could lead some of these hooligans? What, I'm not supposed to say that about clanmates? Oh. Sorry, then."
- "Well, duh. Shouldn't anyone be able to do that? I'm not a secretive cat, anyway."

BUT

Why
should
she get
this role?

BECAUSE;

- Ravenpaw is a loyal cat to ThunderClan.
- She's honest, even if sometimes too much so.
- Takes things seriously.
- Will make sure she knows what she's talking about so she doesn't give misinformation
- She wants to help the clan however she can.

Even if she does
not get the
role...

Thank you
for
considering!
