A black and white photograph of a control room. In the foreground, three men in white shirts are seated at consoles with various instruments and screens. In the background, a large crest featuring two wings and a central emblem is mounted on the wall. The overall scene suggests a professional or military environment.

LESSON 4:
Technology is not always
100% reliable

WE NEED TO BAN NUCLEAR WEAPONS

HOWEVER...

There are many challenges when it comes to banning nuclear weapons. Such as:

- Political relationships
- Economics

Education
