# Princeton University

Princeton combines the strengths of a major research university with the qualities of an outstanding liberal arts college. Princeton prepares its 5,000 undergraduates for lives of leadership and service. Chartered in 1746, Princeton is the 4th-oldest college in the nation. It is a private, non-sectarian university that seeks to fulfill its informal motto, first expressed by Woodrow Wilson: "Princeton in the nation's service and in the service of all nations."

# Yale University

Yale's roots can be traced back to the 1640s, when colonial clergymen led an effort to establish a college in New Haven to preserve the tradition of European liberal education in the New World.

Yale University comprises three major academic components: Yale College (the undergraduate program), the Graduate School of Arts and Sciences, and the professional schools.

In addition, Yale encompasses a wide array of centres and programs, libraries, museums and administrative support offices. Approximately 11,250 students attend Yale.

# Cambridge University

The University of Cambridge is a public research university located in Cambridge, United Kingdom. It is not only one of the world's most prestigious academic institutions, but also the second-oldest university in the English-speaking world (after the University of Oxford), and the seventh-oldest globally. The university grew out of an association of scholars in the city of Cambridge that was formed in 1209, early records suggest, by scholars leaving Oxford after a dispute with townsfolk.

# Massachusetts University

Massachusetts Institute of Technology (MIT) was chartered by the state of Massachusetts in 1861 and became a land-grant college in 1863. William Barton Rogers, MIT's founder and first president, had worked for years to organize an institution of higher learning, but outbreak of the Civil War delayed the opening until 1865.

The mission of MIT is to advance knowledge and educate students in science, technology and other areas of scholarship that will best serve the nation and the world in the 21st century.
