

ESIP Data Stewardship Planning

ESIP Federation Winter Meeting 2013

Administrative

- Telecons
 - Frequency? Time? Process? Focus?
- Mechanics of organizing work and developing/maintaining deliverables
 - Wiki vs. Commons?
 - GDocs?

Activities

Why Are We Here?

- Forum for informal inter-organizational interaction, learning and sharing ideas, etc.
- Producing concrete outcomes and deliverables

We need the second to provide the focus/target for the first and organize our activities and plan toward that end

Deliverables

- Principles/Guidelines/Recommendations/etc.
 - e.g. Data Stewardship Principles, Data Citations
- Published Peer Reviewed Journal Articles
 - e.g. Identifiers paper
- Other works in planning
 - What activities should we focus on?
 - Who is working/wants to work on/lead activities?
 - Where are we today with each one?
 - When should we target milestones/deliverables?
 - How are we going to approach each activity?
