App directory

#GDDEurope

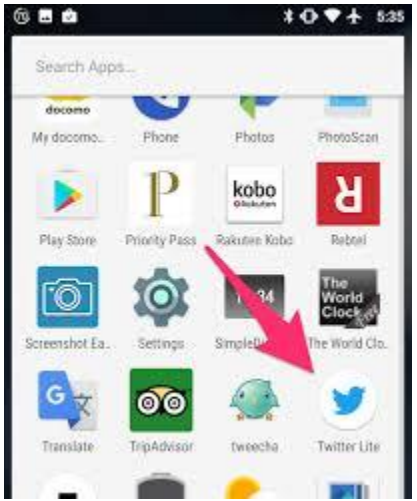
- 100M+ devices
- Expanded capabilities
- Better developer experience

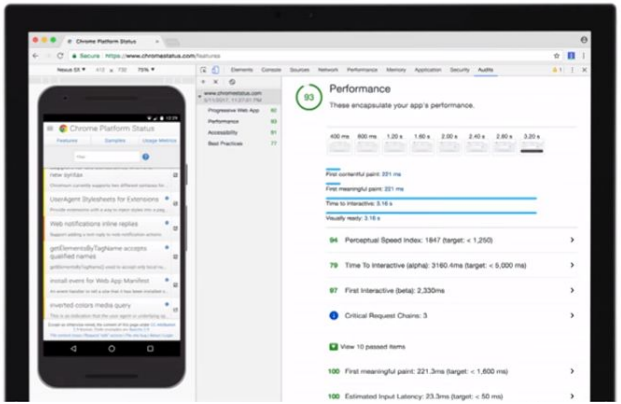
2B instances of Chrome

Accelerated Mobile Pages

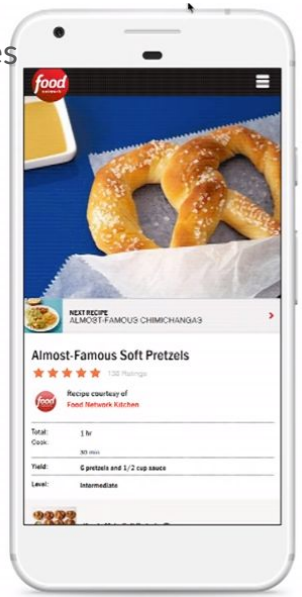
2B+ Pages

900K+ Domains





Lighthouse integrated to chrome dev tools

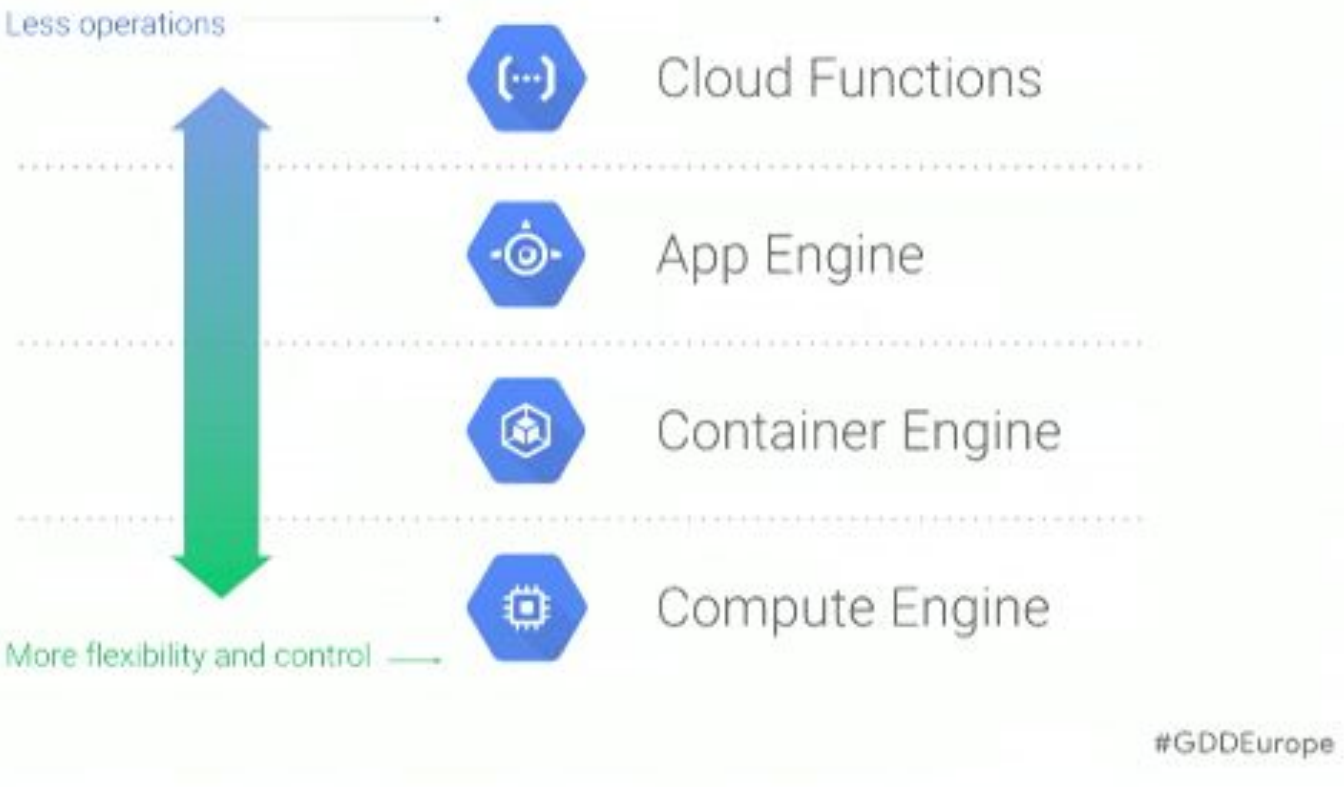


1M+ Developers

firebase.google.com/dev-summit-17

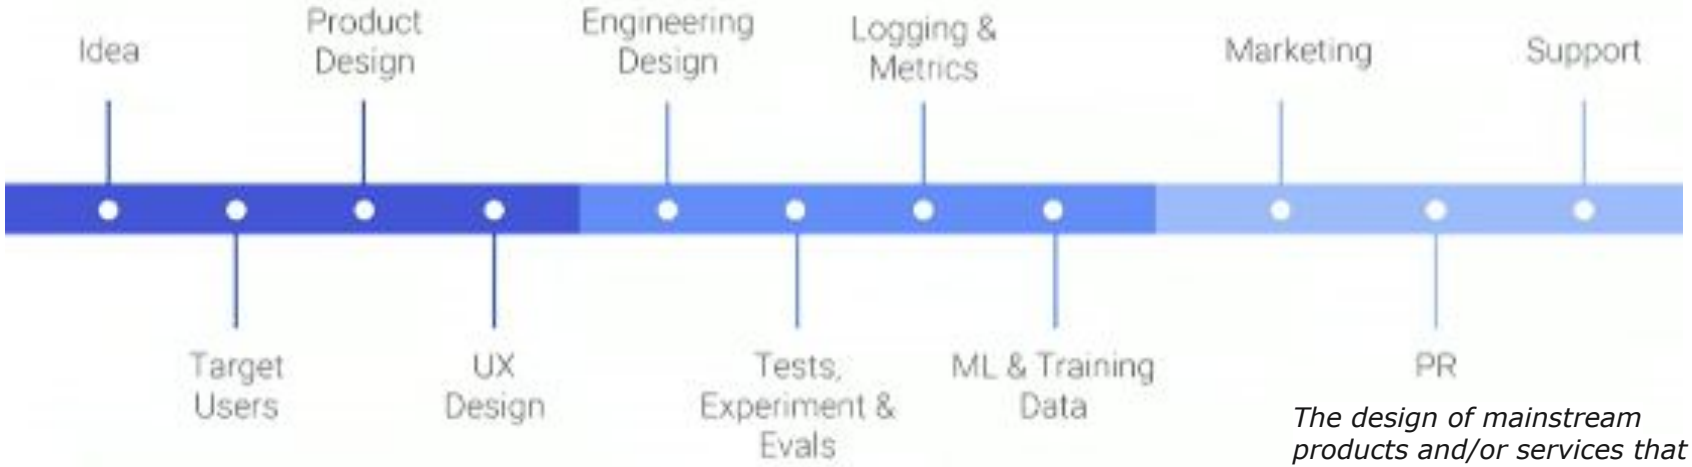
60,000 scholarship challenge

Android & Mobile Web Development



https://www.youtube.com/watch?v=rNux9AnNCVE&t=1019s

Inclusive Design and Product Development



https://www.youtube.com/watch?v=ZgaQn9coYfU

The design of mainstream products and/or services that are accessible to, and usable by, as many people as reasonably possible ... without the need for special adaptation or specialised design

New Architecture Component
