# Hello! I'm Ms. Warren

I am your Algebra 2 teacher for the foreseeable future. A little bit about me is that I'm a very happy, high spirited type of person, I'm not too strict but I can be when I need to be. I enjoy talking and even spending some time with my students and connecting with the on an friendly level than more of a teacher level. I always listen to you and if you ever need to talk my classroom is a safe space to talk.

# Course Newsletter

**Algebra II - 3/18/2021**

Good evening Eagles, Today was a decent day. Please and work on your behavior. Make sure you complete your essential questions, and any homework questions. Have a good night. See you all later!

## **Class behavior:**

Your behavior was decent today. 11D you do need to work on your behavior tremendously, the fighting in class has got to go. 11A you need to listen when told to do thing the first time, I don't want to have to call admins to send you all to ISS.

# Homework

Read over all of your lecture notes under 'past learning resources' located in the google classroom

Complete the all about me survey, there is no due date for all of the new people joining.

Also, complete your benchmark exam/test if you haven't done that already. It should have been completed during class time.
