Week 2-English

This week we will be exploring the ways in which we can describe a memory using poetry We will be focusing on building our knowledge of parts of speech.

We will be using innovation to create this poem.

Did you ever ...?

What is innovation? Using a good model text to inspire our own writing.

Innovated poems

Did you ever
Go snorkelling at
The Black Rocks?
Heart shaking
Seaweed swaying
Kina crawling.
Try it.

Did you ever
Play spotlight at night?
Heart pumping
Legs shaking
Thorns poking
Light shining.
I love it.

Nathan Reed - Te Tii School

Original author

Did you ever
Go on Google Meet
For a lesson
Screen dividing
Hands waving
Teacher talking
Try it.

Did you ever
Go to the supermarket
In Lockdown?
Masks covering
People queueing
Patience dwindling
Don't try it!

Brainstorming and Forming my Ideas

Now, let's do some brainstorming!

Sit back and think of 2 - 3 memories. They could be happy/exciting experiences or 'not so happy' embarrassing ones!

They could be something you'd gladly do again or something you'd rather avoid!

Instructions:

Brainstorm your ideas in your English book.

How will I know I have been successful?

I started my poem with: Did you ever...

I described : an action, a time and a place

I used 3 concrete nouns

I was able to activate my nouns with verbs that made their meaning clear.

I checked that the structure of my poem is correct

The memory I am choosing to describe is clear in my poem.

Instructions:

You will complete your poem on the next slide.

Ideas sorted? Get Crafting!

It time to draft your poem!

Remember, poetry writing is **CREATIVE WRITING**, so be creative with words and descriptions!

Instructions:

Write your poem in your English book. Once proofread and edited, you will publish it on the doc shared on Google Classroom.
