My Community Helpers Notebook

Name:

Instructions

For this activity, you are going to learn about 5 community helpers!

FIRST, make a **COPY** of this notebook, **WRITE YOUR NAME** on the cover, and **SHARE** it with me.

For each community helper, you will do **3 things:**

1. **Watch a short video** about the helper
2. Write **2 things you learned** about that helper
3. Upload a **picture** of the helper.
   - You can **choose 1** of the following:
     - **Find** a picture **online** of the helper
     - **Draw** your own picture of the helper **online** using Google Drawings or another online drawing site
     - **Draw** your own picture of a helper **on paper**, take a picture, and post your picture to the slide

Look at the next slide for an example of what each notes page for each helper should look like!
