# QUIZZZ 😊 CAN PLAY AT HOME FOR REVIEW OR IN CLASS

<https://join.quizizz.com>

# quizlet.live

**This is a fun, engaging game for your classroom where students can learn from each other. It's designed to bring fresh energy into classroom. Teams of students work together, racing to learn the material in a Quizlet study set. Correct answers move teams ahead, but wrong answers send teams back to zero. In order to win, students need to communicate with each other to make sure they pick correctly.**

# Brain Blasts

1.gonoodle.com

- Boost Productivity
- Improve Behavior
- Build Community

# SOUND MANAGEMENT

<https://bouncyballs.org/>

There was a girl who was very mad. When she is mad she eats chocolate to deal with her problems. She has a pet octopus and when her octopus ate the chocolate, he was very shocked about how much it helped him with his problems.
