What's on sale?

Claire goes to the supermarket. First, she looks at the meat department. A whole chicken is on sale, and Claire likes the price. The price is \$2.20 per pound. Next, Claire looks at the produce department. She finds a bunch of carrots, and she smiles. She can use a coupon to save \$1.75. She also buys an onion, a bunch of celery, a bag of potatoes and a loaf of bread. Finally, Claire thinks about dessert, and she goes to the bakery.
