Let's start with the first set of slides

Quotations are commonly printed as a means of inspiration and to invoke philosophical thoughts from the reader.

Big concept

Bring the attention of your audience over a key concept using icons or illustrations

In two or three columns

Yellow

Is the color of gold, butter and ripe lemons. In the spectrum of visible light, yellow is found between green and orange.

Blue

Is the colour of the clear sky and the deep sea. It is located between violet and green on the optical spectrum.

Red

Is the color of blood, and because of this it has historically been associated with sacrifice, danger and courage.

A circular frame containing a photograph of a desk. In the center is a large, black, three-dimensional letter 'A'. To its right is a wooden block with the letter 'S' carved into it. To the left is a potted plant in a white pot with a lace-like top. In the foreground, a smartphone lies on the desk, displaying a large white arrow pointing downwards. The background shows a window with light coming through.
