

# Work Sample Template

**All applicants must provide three work samples. Use of this template is optional.**

Use this template to provide up to three work samples to illustrate the programs offered and/or impact of the programs on primary constituents. Applicants may provide links to outside content, directly add text, and embed images or videos.

All materials provided should be concise and representative of the applicant's primary programming.

Do not add additional slides to the template.

Do not include more than one work sample per slide or per shared folder link.

Additional work samples will not be reviewed.

Materials provided may include but is not limited to:

- Bios of key artists and creative decision makers.
- Artwork samples, promotional materials, programs, season brochures, newsletters, etc. Collages of representative materials will be accepted as a single item of documentation.
- Links to videos and/or audio clips. **Video and audio clips should not be more than 5 minutes (total allowed for all submitted clips).** Panelists will be instructed to only review 5 minutes of video/audio samples.
- Website or social media pages.
