Entry Plan: A Roadmap for Success

Goals

1. To gain a deep understanding of the West Islip Public Schools culture;
2. To build relationships and important partnerships within the schools and community;
3. To develop clear protocols and structures to ensure efficiency and productivity;
4. To evaluate the state of the district, including finances and budgeting, efficacy of curricula and instruction, operations and student services;
5. To become a visible force and advocate for the success of all students.

Results

The execution of this entry plan will produce the following:

- A thorough summary of feedback received throughout this timeframe;
- Detailed findings regarding programs, finances and organizational structures;
- Recommendations regarding enhancements to maximize student success;
- A template for long-term strategic planning designed to meet the needs of every student in the district.
