

LUNCHROOM INFO

NICE TO MEET YOU!

My name is Karen Farrish, and I am the lunchroom manager.

This is my 5th year working at our amazing school, but my daughters have been enrolled since day 1. Lucy is going into 8th grade, and Lily is going into 6th grade.

My goal is to make lunch the very best part of your child's day. Food, friends and fun!

If your child needs anything, myself or one of the aides will be there to help.

 - Hot lunches cannot be purchased day of, only add-on items.
- If your child forgets their lunch, we are able to offer them oatmeal or ramen to fill their bellies. An email will also be sent home.
- We have napkins, forks, spoons, and most sauces available every day.
- We have microwaves and a toaster. Please send items that DO NOT require more than 1 minute to heat up. (No frozen dinners, uncooked mac & cheese etc...)
- We have volunteers & lunch aides to help open food items, and make lunch an awesome experience for the kids. We love sharing this time of day together!

CAN YOU JOIN YOUR CHILD FOR LUNCH?

There are 3 ways in which you can visit your child for lunch:

- Volunteer in the lunchroom and when your child's class is in, you may sit with him/her for their lunch
- On their birthday or when they are star student (summer birthdays join us in May)
- You may sign your child out with the office and take them off campus for lunch.
