I'M A PRO

Do it like a PRO, bro!!

This time we read…

sentences

from the story

))LISTEN &
REPEAT))

The truth is our country has never had a woman president.

Who'd ever heard of such a crazy thing?

Would anyone else like to run for president?

In the name of democracy, I have invited Mr. Waller's class to join the election.

Becoming president really wasn’t going to be so easy after all. Grace thought.

Each of you will be a representative for your state.

Grace listened to what issues were important and made a list of campaign promises.
