Australian National University

Components of Open Science

UNESCO recommendation on open science

Open science policies in EU countries

Agenda

10:00-10:10 Welcome: *Helen Clare*, Jisc and EOSC Synergy

Session 1: What support is being provided to researchers?

A view from a University. Nick Sheppard, University of Leeds

Discussion. What skills development is currently being provided around reproducibility, open and FAIR science in your institution?

11:00-11:15 Break

Session 2: What support do “trainers”/research support need to deliver this?

FAIRsFAIR Data Stewardship training. Elizabeth Newbold, STFC and FAIRsFAIR

UK Reproducibility Network. Prof Marcus Munafò, University of Bristol

Discussion. What skills and support do trainers/research support services need to advance and support open/reproducible/FAIR practices at your institutions? How could this be provided?

11:50-12:00 What next/wrap up

Tell us about you

Menti link: <https://www.menti.com/77vnoskvk7>

Menti code: www.menti.com 9148 9693

Session 1: What support is being provided to researchers?

- A view from a University.
Nick Sheppard, University of Leeds
- Discussion in breakouts
What skills development is currently being provided around reproducibility, open and FAIR science in your institution?

Break 11:00-11:15

Menti will be open over coffee and after today

Questions to think about

- What are your key takeaways from the discussion?
- What should be done to improve skills development at your institution / in the UK?
- Where do you currently get your support?

Menti code: www.menti.com 9148 9693

Session 2: What support do “trainers”/ research support need to deliver this?

- FAIRsFAIR Data Stewardship training.
Elizabeth Newbold and FAIRsFAIR
- UK Reproducibility Network.
Prof Marcus Munafa, University of Bristol
- Discussion.
What skills and support do trainers/research support services need to advance and support open/reproducible/FAIR practices at your institutions? How could this be provided?

Thank you!

Gracias!

Obrigado!

Danke!

Dziękuję!

Udaka!

Dekuji!

Bedankt!

Merci!

Thanks!
