

Subject Selections for 2025

Years 9 to 13

Selecting Subjects

We are using School Point to select subjects.

www.carmel.schoolpoint.co.nz The login page will look like this

The screenshot shows the 'Caregiver Sign In' page. At the top, there is a user icon and the title 'Caregiver Sign In'. Below this, a message states: 'If your school-registered email is also registered with Facebook, Google, or Microsoft you can sign in with the options below.' There are four social login buttons: 'Sign in with Facebook' (blue with 'f'), 'Sign in with Google' (blue with 'G'), 'Sign in with Microsoft' (white with Microsoft logo), and 'Sign in with Yahoo' (purple with 'Y!'). Below these is a section 'Or Request a Magic Sign-in Code' with an 'Email' input field and a 'Send Sign-In Code' button. A note says 'Enter your school registered email address to receive a Magic Sign-in code. Codes are valid for 72 hours.' with a link 'Already have a code?'. At the bottom, there are links for '< Change Account Type' and 'Sign in Help'.

Selecting Subjects - Compulsory subjects

Before you can select your option subjects, you have to select your compulsory subjects. You will see the subjects that will automatically be assigned to you in a light grey (for example Religious Studies). The compulsory subjects will show up on the side, for example Mathematics (Compulsory).

The screenshot shows a user interface titled "Courses for Me" with a "Home" button in the top right. Below the title, there are two buttons: "Grid" (selected) and "List". A message states: "These are Courses that you meet the prerequisites for and can select:". The main area contains a grid of subject buttons. The first button, "Level 1 Religious Education", is highlighted in light grey and has a checkmark icon. Other buttons include "Level 1 Accounting", "Level 1 Art - Foundation", "Level 1 Chinese", "Level 1 Digital Technology", "Level 1 Drama", "Level 1 Economics", "Level 1 English", "Level 1 English as an Additional Language", "Level 1 French", and "Level 1 Gateway". On the right side, there is a list of compulsory courses: "2023 Courses" (1/7 Courses selected), "English (Compulsory)", "Mathematics (Compulsory)", "Science (Compulsory)", and "Level 1 Religious Education" (L1RES selected 1 hour ago). A white arrow points from the "Mathematics (Compulsory)" entry in the list to the right.

Selecting Subjects - Compulsory subjects

Click on one of the compulsory subjects. A new page will open with the options to select from. For example, in Year 11, Science has two options. Select one of them. This will open a new page where you can '+Select as one of my Courses' the Science option you wish to be enrolled in. Repeat for any other compulsory subjects. Once this has been done, you will be able to choose your optional subjects.

Science

These are Courses that you meet the prerequisites for and can select:

Level 1 Science

Level 1 Science - Applied

Selecting a Subject - Optional Subjects

When you click on a subject, the following buttons will show at the top.

If you know it is a subject you definitely want to do, click the '+ Select as one of my Courses'

If you are still considering this option then you can 'Add it to your Favourite Courses' and refer back to it before deciding on your final selection. A yellow star will appear on any subjects you have added to your Favourites

Selecting a Subject - Backup Subject

This year all students can select a Backup Subject.

This subject must be the last one you select.

Once you have selected all of your compulsory and optional subjects, you can select your backup subject. Once you have selected your backup subject, click the '+ Select as my Backup Course'.

The screenshot shows a course selection interface for 'Level 1 Health Education'. On the left, there is a large green button with a white plus sign and the text '+ Select as my Backup Course'. To the right of this button is a vertical stack of three buttons: a green button labeled 'Add to your Favourite Courses', a teal button labeled 'View Selected Courses', and a blue button labeled 'View Courses for Me'. The text 'L1HEB' is visible in the top right corner of the interface.

Selecting a Subject - making changes to your main selection

If you decide to make a subject change to your main selection, click on the subject you wish to change. Click on the 'X Remove from my options', then click on '-Confirm Delete'. This will remove that subject from your selection. Click on the 'View Course for Me' button (blue button) and this will take you back to the previous page. Choose your new subject, click on '+Select as one of my Courses'.

Selecting a Subject - making changes to your backup selection

If you decide to make a subject change to your backup selection, click on the subject you wish to change. Click on the 'X Remove from my options', then click on '-Confirm Delete'. This will remove that subject from your selection. Click on the 'View Course for Me' button (blue button) and this will take you back to the previous page. Choose your new subject, click on '+Select as my Backup Course'. Just make sure that you do have the correct subject showing as your backup, and you didn't remove one of your main subjects in error.

Selecting your Subjects - Confirming your subjects

When you have made all your selections, click on the 'View Select Courses' button.
