The 2023 APLD Summer Reading Program Runs June 1 - July 31

Community members of all ages are invited to participate in the APLD Summer Reading Program, "All Together Now". This year's theme aims to encourage Kindness, Friendship and Unity.

HOW TO PARTICIPATE:

- Register for the 2023 Summer Reading program by clicking on the "All Together Now" icon on the homepage of the Library website at www.APLD.info. You can also register in person at the Library.
- When registering online, the "All Together Now" icon will lead you to our online reading program platform, where you will create an account if you are new to our summer reading programs, or if you've participated in the past, you can use your same account information as in past years.
- Keep track of your daily reading and earn badges all the way through July 31st.
- Earn a badge for every four days that you read and for each badge that you earn, you will receive four tickets to enter into an online drawing for prizes.
- The program is completed once you have read 32 days.

Visit www.APLD.info for more details or to register starting June 1st.

If you need assistance with registration, contact or visit us during our regular service hours:
Mon. - Thurs.: 9am - 9pm • Fri. - Sat.: 9am - 5pm • Sun.: 1pm - 5pm

SOCIAL EMOTIONAL LEARNING

- [The Imagine Neighborhood](#) - This new podcast for families is designed to help children and grown-ups practice their social-emotional skills. Each episode tells a story that's amazing, fantastical, and maybe a little bananas, while it tackles the big feelings that come with growing up.
- [Captain Compassion](#) - Here, children can find games, comics, and activities they can do on their own, or with their families, to learn about how they can help stop bullying.
- [Tapping Solution](#) - Tapping, also known as Emotional Freedom Technique (EFT), is a powerful stress-relief technique. Tapping is based on the combined principles of ancient Chinese acupuncture and modern psychology.
- [Smiling Mind](#) - Practice your daily meditation and mindfulness exercises with the Smiling Mind app, which is currently available on all student iPads. Smiling Mind is a unique tool developed by psychologists and educators to help bring balance to your life.

BECOME A CODING MASTER!

These apps are used during the school year on your iPad, but can still be accessed on any device. They will help you to become more experienced with coding over the summer!
