INFORMATION AND COMMUNICATION TECHNOLOGIES

“

Without access to ICTs, many societies are in danger of further exclusion from global development.

ICTs open up opportunities for promotion democracy and prospertiy in the poorer parts of the planet

-Zembylas & Vrasidas, 2005

Do you have a computer at school or at home?

Do you have a laptop or a desktop computer? Do you have both?

When did you first start using a computer?

How often do you use a computer?

Do you use computer when you do homework for school?

How many times have you upgraded your computer?

a) the area on the display screen where icons are grouped is called so because the icons are designed to represent real objects on a real desktop.

b) a symbol that appears on display screen that the user is able to move to select objects and commands....

c) with the help of this the user can divide the screen into different areas....

d) these are small pictures that represent commands, files or windows....

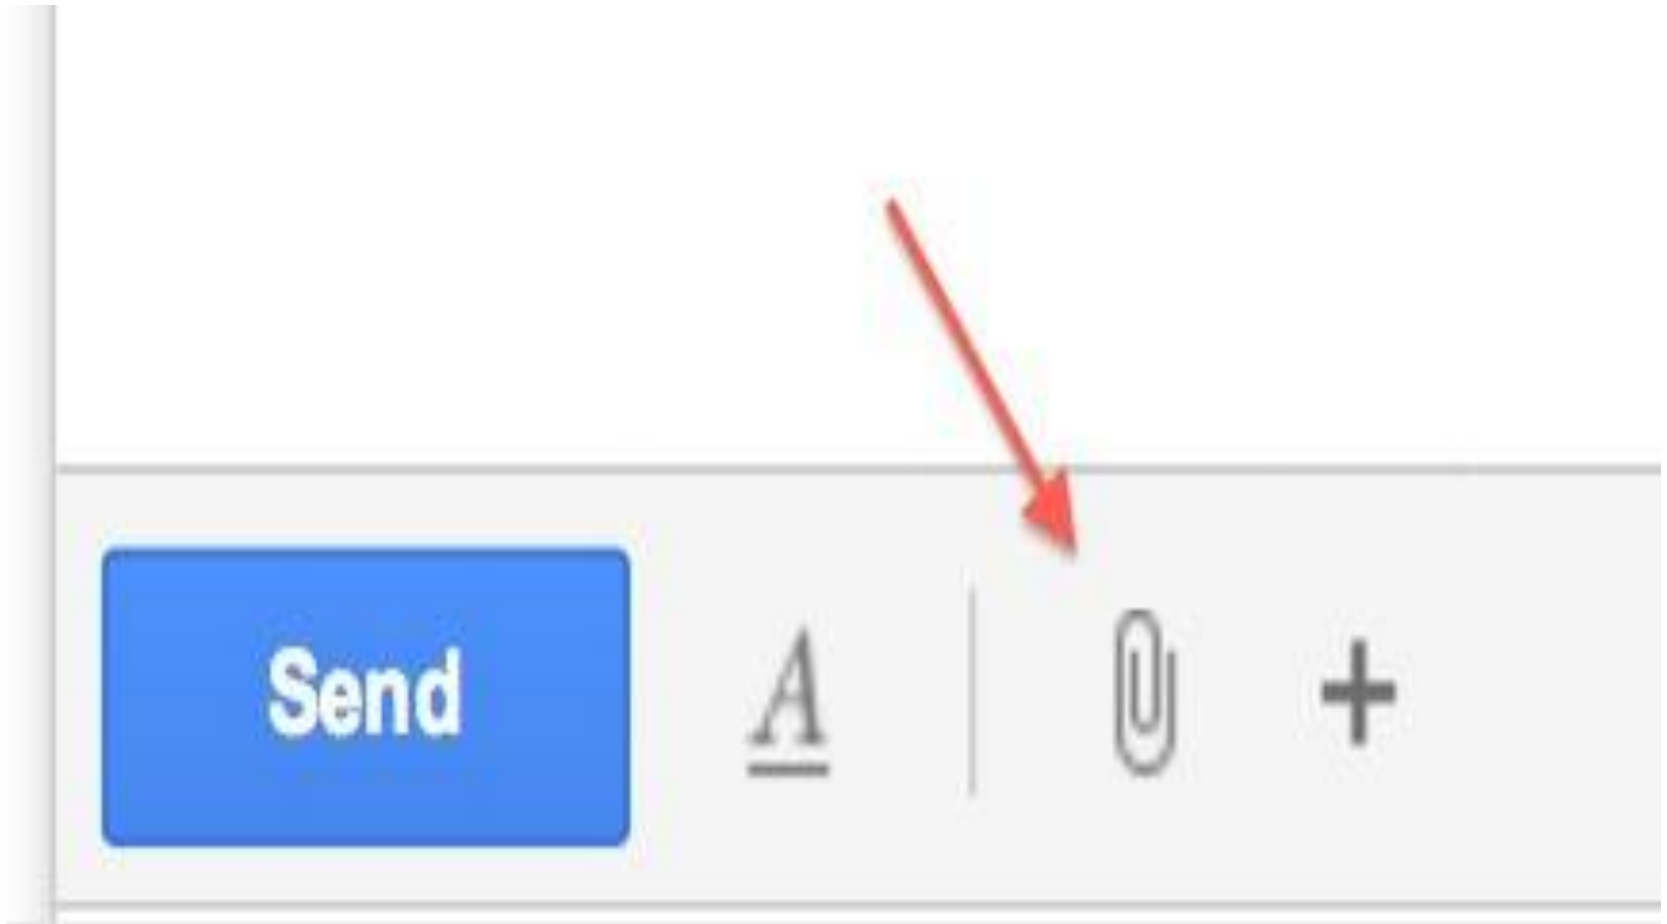

e) most graphical user interfaces allow the user to give commands by selecting a choice from it.

f) a device, such as a mouse or trackball, that allows the user to select objects on the display screen.

(*cursor, icons, desktop, windows, menus, pointing device*)

Refer each thing (1-6) its description (a-f).
