- Creating Inclusive Environments

- Disability Awareness

- Reasonable Accommodations and the Interactive Process

- Service and Emotional Support Animals

Request Training/Report Barriers Form

* indicates a required field

Utilize this form to:

1) **Request Training or a Workshop** from the ECRT ADA Team.

Topics can include anything accessibility, disability, or inclusion related. You may select a prepared training/workshop or we can create a workshop specific to your needs.

2) **Report a Barrier to Access** on the University of Michigan grounds or in a digital context.

Examples include: uneven pavement causing a tripping hazard, inaccessible documents, inoperable door openers.

Please provide as much detail as possible when requesting training or reporting a barrier.

Type of Service Requested *

Training Request

Report Barriers to Access

Use the Request Training/Report Barriers form to report physical or digital barriers to access.

Examples:

- Inoperable door openers

- Out of order elevators

- Cracked pavement causing tripping hazards

- Inaccessible software or documents
