Stop Motion Animation

ideas!

Brainstorm Page

Around the brain jot down some topic ideas for your stop motion film.

Materials

List the things you may need or insert images of them. Are you going to set up a backdrop? What objects from home could you use? Lego, dolls, cars, playdough?

Planning

What is the overall idea in your animation?

Beginning

Middle

End

WALHT: Create a stop motion

Success Criteria

Self Assessment 😊😊😊😊

Set up a backdrop that won't change or move

Set up Chromebook and don't move it's position

Slightly move your object (about 1cm)

Take photo using the animator

Repeat green steps until complete

Quickly skip through slides to check it has worked
