FINOS Associate Membership prospectus

## FINOS Associate Membership Overview

Associate membership is a "lightweight", free membership tier:

[^0] criteria for joining the Directed Fund as an Associate Member. If the Associate Member is a membership organization, Associate Membership in the Directed Fund does not confer any benefits or rights to the members of the Associate Member."

## What's expected of FINOS Associate Members?

## Key premise: Community Participation

## Reciprocity

Ongoing Associate Membership is contingent on participation in the FINOS community, e.g.

- Regular contribution in at least one FINOS project
- Presenting at one or more FINOS events in a year (on a relevant topic)
- Writing one or more blog posts in a year (on a relevant topic)

## Membership process

- Contact FINOS to discuss the requirements of Associate Membership
- Sign the Associate Member Agreement
- Sign the FINOS Participation Agreement selecting the Associate Member option
