Team Names...

- Team name will be decided upon by middle school staff based on entries. If you have a team name you would like to enter for your clan, turn it into the main office by **Friday, January 26th**. Team names will be announced on Monday, January 29th.
- To enter a team name do the following:
 - Take your clan's colored paper - available in the main office and cafeteria
 - Write your name and/or friends name on the sheet of paper
 - Write the proposed clan name on the paper
 - Turn the paper into Mrs. Starr in the front office
 - Make sure we can read it - write neatly!

The rules...

- Each clan can earn up to 5 points a day, 25 points a week
- Lunch supervisors will look for the following each day for each clan:
 - Cleanliness of tables and underneath tables
 - Chairs being pushed in
 - Proactive cleaning - wiping down tables, throwing away trash
 - Collaborative work - helping each other out to make the space clean
 - Appropriate behavior from all students in the clan

What you need to know for the game to be a success...

- This is a fun way to make sure we keep the cafeteria cleaned... don't ruin it.
 - Stay in your clan - you can move around within your clan, but please do not cheat by skipping to a different clan.
 - Be respectful of other clans that are winning or losing - be a team player and good sport.
 - Don't sabotage other clans.
- Failure to make this a fun and productive way to keep our cafeteria clean will result in immediate cancellation of the game, and we will go back to our "lockdown" mode for the cafeteria when things get out of hand.

What you win for being the highest achieving clan for the week....

Every week each clan will have their point added up for that week. The highest performing clan for the week will win a prize the following Monday. Examples of prizes are:

- Front of the line lunch passes
- Free dessert from the cafeteria
- Your clan is the only clan that gets to attend Open Gym that day
- Your clan gets excused 2 minutes early to beat the rush for the lunch line
- Free tickets to sporting events in the area
- And more...

The grand prize.

One clan will come out the ultimate grand prize winner in our Clash for the Clans cafeteria competition.

We will be running the competition until the end of third marking period - our last day will be the day before Spring break. Friday, March 23rd.

All of the weeks will be added up and the overall winning team will receive a grand prize of a 7th hour ice cream social!

Continuing Clash of the Clans...

We are hoping this works really well, and is a fun experience for all of you!

If things go well, we will repeat our Clash of the Cafeteria Clans competition during 4th marking period.

If you have questions - see Mrs. Wulff in the Cafeteria today.
