			this is a weird glitch and if this is intentional pls tell me	
			follow these steps in the order to replicate this 1. pan mode	
			2. add pandan extract x2	
			3. remove 1 pandan extract with TONGS	
			4. add lemon juice x2	
			the result is just a white detailless liquid

Cool site This is for Mix-Up! Very cool, but not sure what you're sug That would be nice! Not updating this project right now	Accepted On Hold Rejected N/A On Hold On Hold N/A N/A N/A On Hold Accepted Rejected On Hold	removing unwanted elements by right-clicking them in the list delete/rename saves element type (e.g. fluid, gas, solid, etc) I think you should take inspo from this guy Vole.wff he creates stuff just like you! 3-way operator (element 1 + element 2 + element 3 = ???) delete saves in sandboxels god ray hitting water should make holy water You are unable to delete a save or restart the game example (opposite of category) Infinite Craft: water,fire,wind,earth If I enable Meta Operators, it seems like the normal A + B operators don't appear anymore. i want to be able to remove saves Made By Al:Music(you can add background music) Made By Al:Alchemist's Abode:Air, Water, Earth, Fire, Glass, Metal, Plant, Life Essence undo Everyone's Here:Every Element From Every Mix-Up Preset Ocean:Water, Salt, Seaweed, Fish, Turtle, Shark, Dolphin, Coral(you can tweak this if you want) End(opposite of beginning) Zoo:All Animal Starting Elements This Isn't Really An Issue, But Rather A Question, But Why Is Snail Part Of The Beach Vacation Star Please add Alchemy universe items Make It So That We Can Add Our Own Operators, Kinda Like How We Can Add Our Own Elements (I forgot this when I previously did the Al stuff)Made By Al:Deconstruct. This Works A Bit Differently I Ultimate(element) Add a delete save option	New feature New feature New operator New operator New operator New feature New operator New feature Report an issue Report an issue New operator New starter preset Report an issue New operator New starter preset New feature New feature New feature New starter preset New operator

Feedback for PROJECT is shown here. You can submit via the feedback form.		Accepted indicates that the suggestion is in the works, not that it is necessarily released.	Brought to you by R74n's <u>Universal Feedback System</u> (UFBS).
