Please use this sheet to help determine raiding interests in BfA!

PLEASE DO NOT FILL IN YOUR OWN VALUES. ONLY USE ASSIGNED VALUES.

Enter all information in the "Player Data" sheet. Most of the sheet should be pretty self-explanatory. (Please note: week starts on Tuesday.)

That being said, here are a few explanations:

- Weekday: "Prefer" means that those are the days you would prefer to raid on, even if you want to raid less often
- You can "prefer" 5 nights of the week because they work best for you, but only want to raid 2 nights.
- "Weekday / Weekend Time" is the earliest time you prefer the raid to start.
- If you can attend earlier, but prefer not to, do not list an earlier time list your preference.
- If you cannot attends weekends/days, put the "Time" for that slot as "any".
- "Time Zone" is the TZ you are using to determine the aforementioned preference. (ONLY EST (RL's TZ) OR PST (server TZ))
- (I don't want everyone to decide 7pm and then half the raid was thinking different time zones.)
