

Figures displayed in this sheet are all contributions (in excess of \$5,000) given directly to super PACs from corporations/LLCs from 2011 to 2016. Figures for the 2016 cycle are based on Federal Election Commission data available electronically as of June 2016. If you have questions about the data shown in this Google Sheet, please contact Alex Baumgart at [abaumgart@corp.org](mailto:abaumgart@corp.org)

This data is no longer being updated. For more current data on corporate contributions to outside groups visit our [outside spending section](#)
