				First off, broke the rules of the pricing by selling the three staturday tokets for \$70 without shipping (should be max \$62.50) I was desperate for the tokets so I agreed.											
				Secondly, we set up a date to exchange lickets in person via email. I emailed her every day starting a few days before the exchange day to set up a location and did not here back at all. Day after we were supposed to exchange, it sums a message through reddt and the responded that the sold them to a fitted instead
