<p>You can create a wallet on MyEtherWallet or Trust Wallet. Tokens will be sent to your wallet address instantly after order. Here are the recommended wallets you can use:</p> <p>Orionix Smart Contract 0x5ac203c7826e5b74ec9c8b4ed13b0597bb5c872e</p> <p>Token Sale Details 0x5ac203c7826e5b74ec9c8b4ed13b0597bb5c872e</p> <p>Tokens Allocation Raspodjela Tokena</p> <p>Road Map Mapa Puta</p> <p>Latest Orionix News Najnovije vijesti o Orionixu</p> <p>Best Cryptocurrency for gamers – The era of Blockchain In the packed scene of new ICOs that approached in the course of the most recent year, many connected to the gaming business. While some are genuine crypto recreations, others are increasingly about making arrangements and stages for game developers, and there are no such constraints. Subsequently,</p> <p>A new revolution to the gaming industry – Orionix.io</p> <p>It's predicted that the Gaming industry would be \$300 billion industry by 2025. This gives a percept of why Gaming companies are splurging millions of dollars on a single game, not just PC gaming or consoles, but Mobile games too....</p> <p>Bitcoin and Cryptocurrencies are the Future Wake Up the Sleeping Giant Bitcoins or other cryptocurrencies do not require any introduction. The fastest way to send a hefty amount within seconds somewhat makes it even more attractive. It's quite imperative for Bitcoin users to ponder on its security while transacting... Orionix.io – An ICO that's ahead of its time! Initial coin offerings (ICO) have appeared suddenly in 2017 to turn into the discussion of Silicon Valley and Wall Street. Developers have raised over \$3.2 billion this year by offering their very own virtual monetary forms to financial specialists (investors). That is 3,000 percent more than the sum brought utilizing coin contributions up in 2016. Cryptocurrencies' economic adoption and mainstream presence Undeniably, at this point in time the cryptocurrency space is highly driven by speculation. The majority of this speculation comes from investors that are still exploring the various different features of the actual concept behind it and essentially trying to grasp and interpret what the future might have in store for the industry</p> <p>1 2 3 4 5 View More</p> <p>The role of Orionix in the gaming framework dominated by giants such as Steam It is no secret to anyone that the largest global gaming marketplace known as Steam has seen a huge surge since its launch in 2003. With more than 30,000 games available on the platform and about 20 million users in total, the video game distributor has established itself as the leading player in the business.</p> <p>Orionix as part of the Digitalized VUCA World Ever since the end of the Cold War and fall of Communism, the world has been a subject of evolutionary progress in its industrial, economic, technological and communication fields. All the innovations and research successes that we come to witness nowadays have changed the society's perception of what could be labeled as "standard and ordinary"</p> <p>Orionix Orionix Ltd. Co.
