Why was the NG recently activated in select cities state troops (Title 32) so they are exempt from the Posse Comitatus Act. The President within the US? cannot call NG troops into service without Congressional approval. State governors can,	
so they did. Once in service, the President can take command of a state's NG, or federalize them, without Congressional approval. tl;dr: It's a loophole that puts military	
troops (NG), exempt from the PCA (so they can enforce laws and maintain order) under	
the President's direct command, without Congressional approval. source source source Can the NG work in coordination w/ the marines? Yes	
The NG is mainly activated by the states, the POTUS needs congressional approval to

orders.	
This is shown in the Posse Comitatus Act where by the POTUS can take control. This leads to the next question

How is Alwaleed and HRC connected? Who was HRC's mentor? How is Alwaleed and Bush Sr./Jr. connected? What occurred post 9-11? What war did we enter into?	Through mutual CFR friend Sandy Weill who repealed the depression-era investor protection legislation known as the Glass-Steagall Act. Citigroup raised 512.5 billion in convertible preferred stock in a private placement with Talla, after private meetings with the Fed. With a market cap of \$20.5 billion on Friday, November 21, 2008, the U.S. taxpayer effectively owned this company lock, stock, and barrel. Our government's ballout program was in the hands of his crony New York Fed, where Sandy Weill had served as a Director from 2001 through 2006, and the U.S. Treasury Department, run at that point by Hank Paulson, formed CEO of Goldman Sachs. Treasury Secretary Hank Paulson and New York Fed President Timothy Geithner held a conference call with Fed Chairman Ben Bernanke, FDIC Chair Sheila Bair, and Comptroller of the Currency John Dugan (a former bank lobbyist) to discuss Citigroup. Sanford Weill is the pen Council on Foreign Relations member Bill Clinton used to sign the REPEAL of FDR's Banking Act. Later, Clinton Foundation hired Kevin Thurm as its executive vice president. Thurm served as a Citigroup executive for more than a decade. Robert Byrdi, former KKK member. Saul Alinsky, author of Rules for Radicals.
