

Tompkins Co Ditch Management Workshop

Please let us know how many people from your municipality will attend on each day.

We will run the same workshop on October 3 and October 4, if there are enough people signed up for both days.

Please register by 9/25/18, so we can decide if the workshop will be held on both days or only one.

You may also register by contacting Maria Christian of CCE at mjc72@conrell.edu or 607-272-2292.

Also, please add your municipality or department to the list if it was left off.
