

2024 National Outdoor Ethics and Conservation Conference

Pre-Conference Courses

Council Outdoor Ethics Advocate Training	This is an opportunity for Council Outdoor Ethics Advocates (COEA) to learn how to make their local program more effective. Team coordinators can learn how to help their COEA's.
Distinguished Conservation Service Award Adviser Training	This course will cover the Distinguished Conservation Service Award (DCSA) Adviser and Committee Member training. It is designed to provide the knowledge and skills needed for those who mentor and advise youth as they pursue, prepare, and complete the award and for Councils as they support, review, and approve this prestigious award.
TreadLightly! Master Tread Trainer	The Tread Lightly!®'s Master Tread Trainer™ (MTT) course is an intensive 1-day workshop designed to provide an in-depth look at outdoor ethics focusing on motorized and mechanized recreation on both land and water, and also covers shooting sports. It is the highest level of qualification that Tread Lightly provides and is intended for those that want to train Tread Trainers.
Risk Assessment ~ Scouting SAFE and Risk Management	In Scouting, we will not compromise on the safety of our programs. Participants will review the principles of S.A.F.E, Scouting Safety resources, the NCAP standards, and some techniques to identify and mitigate the risks associated with trek based outdoor ethics courses. All are welcome.
