

What is this?

We heard a need to share and leverage our resources amongst the GFTA community! In response, our SF Willie Brown Fellow Demi Vera created this resource-sharing tool with everyone.

How do I use this?

The resources are categorized by "resource type" (i.e., rental, trainings/workshops, promotional services, grants/supports). You may scroll down the entire list or filter by the resource type. Feel free to contact the listed organization directly about offerings.

How do I share a resource?

If you have a resource to share or update, please contact gfta-program@sfgov.org. Thank you.
