	<p>All cable prices subject to commodity rates for connectors and cables, as well as current labor rates</p> <p>Contact us for a quote.</p> <p>We may not be the cheapest option for common cables, we'll be the first to point that out. We do this as a service for those who can't build their own cables, or can't justify the cost of the tools to do it for just one cable.</p>		
	item	notes/description	
	Nortel T1 adapter	<p>Intended for Nortel Meridian 1 PBXes using T1 cards.</p> <p>Adapter from RJ21 to 8P8C modular jack. Can also be made for E1 (I think the pinout is the same)</p> <p>Customization is always possible. Custom lengths, custom pinouts (e.g. crossover vs. not), custom connector (plug vs. jack) are easy as cables are made to order</p>	T1 cables
	Nortel E&M cable	<p>Intended for Nortel Meridian 1 PBXes using E&M trunk cards.</p> <p>Adapter from RJ21 to 8P8C modular jack. Multiple pinouts are possible depending on configuration of the card and trunk</p> <p>Customization is always possible. Custom lengths, custom pinouts (e.g. crossover vs. not, type I vs. type II), custom connector (plug vs. jack) are easy as cables are made to order</p>	E&M cables
	RJ21 cables	<p>pigtails and full cables available in custom lengths</p> <p>We'll be the first to admit ebay is probably your better choice here, but it depends what you need and the current state of the gray market. Let us know what you need and we'll get you a quote.</p>	
	T1 crossover adapters	male-male, female-male (inline style), or female-female are possible.	T1 crossover adapter
