(*) A player who elects to only participate in the All Star tournament will pay the cost of uniform only. Once the All Star tournament is finished, the player no longer participates on the All Star team. The All Star team is now a Tournament Team

(**) Referee deposit is returned if team provides referees at tournaments and spring league games.

- Deposit is forfeited if team does not provide referees.
- Minimum of 3 parent referees needed per team

Example: Team decides to participate in 6 tournaments
 Total fees are \$480 including uniforms and referee deposit. Each parent will have \$75 returned at the end of the season if the team meet its referee obligation at each tournament and the spring league

Funds are managed by the individual team. Teams will have a parent volunteer treasurer. Payments are collected in two or three payments depending on how the team decides to fund the tournaments. Payments are collected ahead of the tournaments. Referee deposit is returned to the team after the team referee volunteers satisfy the tournament's referee requirement (typically 3 matches at the tournament)

How to use this table?

- 1) Select the number of tournament the team would like to participate. The total is shown for that number of tournament.
- 2) Add any optional items the player want such as backpack and warmup. Players are not required to purchase these items
- 3) The total in (1), (2) is the total per player cost if a player purchases these additional items
