State	Question	Resources	Notes
MA	Question 3 asks whether MA residents want to uphold or reject Senate Bill 2407, from 2016, that prohibits discrimination based on gender identity	https://ballotpedia.org/Massachusetts Question 3, Gender Identity Ant	This is the first time ever this issue is being decided by a popular vote. A "yes" vote upholds current law that makes discriminating against an individual based on their gender identity in public places illegal. SB 2407 was passed by supermajority in both houses of the state legislature and signed into law by Governor Baker in 2016. Keep MA Safe (who oppose the law) is the organization that collected the signatures to get this issue on the ballot.
