

Instructions

Sign up here for your post-test interview (one on one) time slot

Add your name to one of the available **white** slots; do not move or delete your classmate's name!

If none of the available slots work for you, email kpoirier@citytech.cuny.edu to arrange an alternate time (subject line: "MAT 1575/2680 Final Exam Interview Schedule")

Schedule your time slot so that you don't have another appointment or class right before or right after your interview time (in case your previous commitment runs late or the interviews run late).
