

Updated: 8 - Feb - 15

This is my sheet of exciting things! Page 1: all my Legendary and Event Pokemon! I've also put my breeding Ditto there. Page 2: Other Shinies! Page 3: Hidden Abilities, Egg Moves, Bank Ball Females :) I'm trying to color-code things though.

Things still in progress:

- IV checking everything (all done but legendaries)
- Adding Japanese characters
- Noting ribbons/GTS-ability where needed

PokeGen Note: I will not PokeGen Events or Legendaries. To the best of my ability, all things Gen'ed by me will have OT: Babushka and ID#: 42259 (HACKZ). (My real ID# is 15616) Also, the encounter date will be 25 Nov 14.

**I hope you find something to interest you!**
