

NOTICE

The Auction Yard strives to give our bidders as much information about the vehicles being auctioned as possible. This is a non binding guess that we provide as a courtesy, There are no doubt latent defects that we are unable to test. You are still required to preview even if you do not live nearby. Due to our Public Auction Dealers License, we are required to sell all vehicles "as-is" "where-is" with all faults. With no Implied Warranty of any kind and no refunds or credit, no exceptions.

2011 Subaru Outback 3.6R Limited

Engine	Accessories	Interior
We have visually inspected the engine for completeness, checked the oil color and level, drove the vehicle around the yard 3 times , and let the vehicle idle for 3 min.	We have turned on the A/C and heater, rolled all windows up and down, checked the door locks, turned the radio on and off, and checked other power options work.	Visually inspected the interior of the vehicle including dash, head liner, door panels, front seats back seats, carpet rear of vehicle and inside of trunk.
