- [1] !!! = Performing Kill, XX = SFS did it
- 0 = failed because Consumed
- 1 = failed because Eaten
- 2 = failed because Blocked
- [2] Error Checks the submitted action to check if it's a valid or not option for that player
- [3] this column checks that the submitted codeword matches the assigned codeword. Only checks 1st two letters. Doesn't stop any other code, just advises host to check. IF ITS AN OBVIOUS INCORRECT SUBMISSION THEN CLEAR THE TIME!
- [4] This column indicates the newest submission for that phase/action
- [5] This is the player's assigned role for the given phase
