[1] Defined as operational, actively staking MNs

[2] Estimates italicized using "best available" data. No compounding.

[3] All data is provided on an "as-is" basis. The author makes no guarantees as to the veracity or timeliness of such data. The author disclaims all warranties, express or implied, including without limitation warranties of merchantability, fitness for a particular service, and error-free and uninterrupted services. The author does not warranty, guaranty, or make any representations or warranties whatsoever, express or implied, or assume any liability to you regarding a) the use or the results of use of this information, or b) system performance and effects or damages to software or hardware in connection with any use of this information. This data is not to be construed as a solicitation nor a recommendation to buy or sell any investment. Crypto-currencies are highly speculative and may carry the risk of total loss. The author may or may not have positions, long or short, in any one or more of these assets. Trade responsibly; don't be stupid.
